

AHERN ACT / ADVANCED CAREER TRAINING

The Ahern ACT Advanced Career Training program offers comprehensive vocational training from our flagship school in the Historic Westside of Las Vegas, Nevada. Our Commercial Driving program is designed to develop high quality CDL drivers. **ACT NOW** by enrolling at ahernact.com to get you on the road to success.

Mission Statement: To produce the finest entry-level commercial driver that performs at the highest level of professionalism, compliance, and safety while adding value to family, company, and community.

CDL TRAINING COURSE

Put yourself in the driver's seat of a new career. By completing Ahern ACT's CDL training program, students will obtain a Nevada Commercial Driver's License (CDL) and a College of Southern Nevada (CSN) Certificate of Completion worth 20.0 Continuing Education Units (CEU's). Accelerate your future with a new role that gives you travel opportunities, self-management, job security with competitive pay and incentives.

Ahern ACT, in cooperation with College of Southern Nevada, offers a full-time 5-week CDL training course or a part-time flexible course to accommodate work and family schedules. Both courses cover safety techniques, emergency maneuvers, simulated scenarios, equipment safety and compliance, truck maintenance, personal development and more.

L3 HARRIS STATE-OF-THE-ART TRAINING SIMULATOR

Simulator-based training improves critical driving skills, enhances decision making abilities, and increases safety.

Our simulation-based training for commercial truck drivers helps enhance safety awareness, provide hands-on training in a risk-free environment, and provide consistent and objective real-time feedback on performance and driver skills.

FUTURE COURSE OFFERINGS

Future course offerings will include equipment operators, welding, assembly, painting and staffing.
